

Statutory Form Maintenance For Sage Accpac ERP

Maintain Information:

- + Form applicable or not for the Customer/Vendor.
- + Name of the Form received.
- + Form Number for each Invoice.

Transact with Statutory Form for Customers and Vendors:

- + Receive the Statutory forms, from the Customers or Vendors for the particular Invoices in the date range given by the user.

Print Statutory Form Reports:

- + The reporting provides flexible filtrations options of Customer/Supplier No, From and To Invoice dates before printing the information.

The screenshot shows two overlapping windows from the SAMINC software. The top window is 'SAMINC - Statutory Form Maintenance' and the bottom window is 'SAMINC - Statutory Form Report'.
